

I have read the above and understand that I am to help my child read a chapter in the book and complete a short quiz each week. The book and quiz must be brought to class each Sunday. Books should be returned in good condition in May or payment will be required. A small tote bag should be used to carry the book back and forth.

I understand that parents should be attending mass with their children. Kinder children will sit with their parents. After mass, parents must come to the front pews for teachers to release children in grades 1-4.

Children should be encouraged to dress appropriately for Sunday mass when coming to CCD class. Let us all set an example for our children to follow.
